

UNITED STATES NAVAL ACADEMY

Friday, 25 December 2009

Special Agent Richard L. Lambert, Jr.
Federal Bureau of Investigation - Knoxville
John J. Duncan Building
710 Locust Street - Suite 600
Knoxville, Tennessee 37902

Special Agent Lambert:

Barry Soetoro, also known as Barack Hussein Obama does not recognize the United Constitution as American government or American law.

Do you?

16 December 2009: Soetoro-Obama forcibly subjugates United States Citizens to secret police power the United States Constitution prohibits. International criminal "police officers," freely operate on American soil obedient to international law unknown to the United States Constitution. Soetoro-Obama commits TREASON in his totalitarian imposition of rival a foreign government and foreign laws forced under threat upon U.S. Citizens to destroy United States constitutional government and United States constitutional law. Emboldened from his successful March 10, 2009 test in Samson, Alabama Soetoro-Obama fully exercised his newly received power under Soetoro-Obama's rule of man. International criminal police are empowered by laws not known in the United States of American to actively and knowingly "pervade the activities of civilian law enforcement officials." Soetoro-Obama again subjects [American Citizens] "to the exercise of military power that [is] regulatory, proscriptive and compulsory in nature." Soetoro-Obama continues his forced restrictions on "the freedom of movement of civilian persons."

10 December 2009: Soetoro-Obama received a payoff and bribe from foreign governors, foreign agents rewarding, celebrating and encouraging Soetoro-Obama continuing TREASON against the United States and its Citizens.

Soetoro-Obama is guilty of TREASON! Soetoro-Obama is a foreign-born domestic enemy, an Infiltrator.

Your duty Mr. FBI Special Agent Lambert is plain!

**Our Constitution is not negotiable.
Not one single part!
Not ever!
I will never back down!
I will never surrender!**

I'm ordering you Mr. FBI Agent Lambert to cause the arrest of Soetoro-Obama immediately.

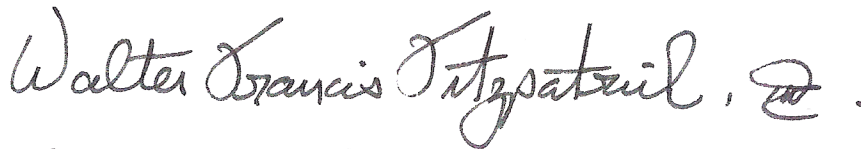

Should you fail in your duty sir understand I will not fail in mine.

So many others and I volunteered under an oath that does not expire. In keeping with the History of the English Speaking Peoples, in keeping with the History of the American Peoples, we will find a way to defend our Constitution, or we shall make one.

Beware the fury of Patient Men!

Obedient to my oath to the Constitution, I remain...

Born fighting. May Father God have His hand upon us all,
